Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations.

The Protect Minnesota Political Action Fund (30693) is required to file a year-end report for calendar year 2018 under MN 10A.20 and has failed to do so.

I have attached a copy of their most recent report along with their reporting page from the MN CFB website showing that their 2018 Year-End Report is listed as "Report not available."

Minnesota Statutes section 10A.022, subdivision 3, describes the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website.

Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed.

The Board has 10 business days after receiving your complaint to determine whether the complaint is sufficient to allege a prima facie violation of the campaign finance laws. If the Board determines that the complaint does allege a prima facie violation, the Board has 45 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board will start an investigation. The Board will send you monthly updates regarding the status of the investigation. At the end of the investigation, the Board will offer you and the respondent the opportunity to be heard before the Board makes a final decision.

In most cases, the Board will issue findings, conclusions, and an order as its decision. For a spending or contribution limits violation, the Board can enter into a conciliation agreement with the respondent instead of issuing findings, conclusions, and an order. The Board's final decision will be sent to you and posted on the Board's website.
