Subject: RE: Prima Facie Determination Re Campaign Committee of Elliott W Engen

Hello Ms. Olson,

This morning I learned that candidate Elliott Engen's campaign website and print literature also do not include the campaign mailing address. This is the same deficiency that I reported as part of my initial complaint about Engen lawn signs/yard signs. I would like to add these two deficiencies to my complaint. Do I need to file a separate complaint or is there a way to amend my initial complaint? Or, could I just bring this up during the meeting on the complaint on October 7th?

Here is the url for the website. <https://www.elliottengen.com/>.

Thank you. Christina Ogata
