## **EXECUTIVE DIRECTOR REPORT**

### **A. Update on Board operations**

Mr. Sigurdson presented members with a memorandum regarding this matter that is attached to and made a part of these minutes. Mr. Sigurdson told members that staff had been busy since the last meeting because reports had been due in the lobbying, economic interest, and campaign finance programs. Mr. Sigurdson said that only a few reports remained outstanding in each program. Mr. Sigurdson also told members that Marcia Waller would be retiring at the end of September and would be greatly missed. Mr. Sigurdson said that Ms. Waller processed lobbyist and campaign finance registrations and lobbyist reports for the Board. Mr. Sigurdson stated that the Board's eight-member staff had been able to absorb the duties of the economic interest program administrator position, which had been vacant since January 2020. Mr. Sigurdson, however, did not believe that staff also could

absorb Ms. Waller's duties and he therefore planned to ask for an exception to the state-wide hiring freeze to fill that position.

Mr. Sigurdson then stated that the Centennial Office Building still was closed to the public due to the COVID-19 situation. Staff, however, was available to meet with people by appointment. Mr. Sigurdson said that staff also had developed and offered online training classes that had been well attended.

### **B. Approval of fiscal year 2021 budget**

Mr. Sigurdson presented the fiscal year 2021 budget to members for review and discussion.

After discussion, the following motion was made:

Member Flynn's motion: To ratify the Board's fiscal year 2021 budget as presented by the executive director.

Vote on motion: A roll call vote was taken. All members voted in the affirmative (Leppik absent.)

### **C. Ratification of Affirmative Action Plan**

Ms. Pope told members that every two years, the Board needed to review and ratify its Affirmative Action Plan. Ms. Pope said that the Board's Plan was based on the state model plan for small agencies. The plan, however, had some modifications to reflect the fact that the Board has an agreement with the Small Agency Resource Team (SmART) to perform some human resources functions.

After discussion, the following motion was made:

Member Flynn's motion: To ratify the 2020-2022 Affirmative Action Plan.

Vote on motion: A roll call vote was taken. All members voted in the affirmative (Leppik absent.)

### **D. Correspondence to the Board**

Mr. Sigurdson then directed members' attention to the letter submitted to the Board by Mr. Moilanen.

### **REQUESTS TO ACCEPT LATE AFFIDAVIT OF CONTRIBUTIONS**

Ms. Engelhardt presented members with a memorandum regarding this matter that is attached to and made a part of these minutes. Ms. Engelhardt told members that one condition of receiving public subsidy payments is to submit an affidavit of contributions to the Board by the date that the pre-primary report is due. Ms. Engelhardt said that in 2018, the Board had accepted late affidavits from two candidates. The acceptance was based in part on the fact that the statute establishing the affidavit requirement does not refer to the current statutory location of the due date for the pre-primary report. Ms. Engelhardt stated that although the Board had included updating this cross-reference in its 2020 technical recommendations, the legislature had not acted on that recommendation.

Ms. Engelhardt said that the following nine candidates had submitted late affidavits in 2020 and now were asking the Board to accept those affidavits: Steve Elkins, Susan Erickson, Kaohly Her, Patrick Zurick, Julie Dupre, Omar Fateh, Mary Kunesh, Diane Napper, and Lucia Marina Vogel.

Ms. Engelhardt said that several of the candidates had representatives in attendance at the meeting who wanted to address the Board or be available to answer questions. After members indicated that they planned to approve all nine requests in one motion due to the inaccurate statute, no one asked to address the Board.

After discussion, the following motion was made:

Member Flynn's motion: To accept the affidavits of contributions from the nine requesting candidates.

Vote on motion: A roll call vote was taken. All members voted in the affirmative.

## **ENFORCEMENT REPORT**

### **A. Consent items**

#### **1. Administrative termination of lobbyist Kristian Dahl (4266)**

Mr. Olson told members that the Otter Tail Power Company had informed Board staff that Mr. Dahl had passed away in February 2020. Board staff terminated Mr. Dahl's lobbyist registration effective February 9, 2020. Mr. Olson said that a reporting lobbyist for the same principal had filed a disbursement report inclusive of Mr. Dahl covering the first reporting period in 2020.

#### **2. Administrative termination of lobbyist Simon Wlodarski (4329)**

Mr. Olson told members that the Bank of America Corporation had requested that the lobbyist registration of Mr. Wlodarski be terminated as he was no longer lobbying due to being deployed overseas with the Army National Guard. The principal's Senior Vice President, Public Policy, completed a lobbyist termination statement on Mr. Wlodarski's behalf and a disbursement report was filed for Mr. Wlodarski covering the first reporting period in 2020. Mr. Olson said that Board staff had terminated Mr. Wlodarski's lobbyist registration effective May 31, 2020.

After discussion, the following motion was made:

Member Swanson's motion: To approve the items on the consent agenda.

Vote on motion: A roll call vote was taken. All members voted in the affirmative.

**B. Discussion items**

**1. Balance adjustment request – Otter Tail County RPM (20770)**

Mr. Olson told members that requests for cash balance adjustments over \$200 must be approved by the Board. Mr. Olson said that this party unit had reported an ending cash balance for 2018 of \$5,820.69 but only had \$4,508.81 in its bank account as of the end of 2018. Mr. Olson stated that the party unit's treasurer, who had assumed that role in February 2019, had reviewed the financial records available to her but had been unable to ascertain the source of the discrepancy. Mr. Olson said that the cash balances stated on the party unit's periodic reports had not matched its own financial records for several years. For example, there was a discrepancy of over \$1,600 at the end of 2015. Mr. Olson said that the party unit was requesting that its 2018 ending cash balance be adjusted downward by \$1,311.88 from \$5,820.69 to \$4,508.81. The treasurer had provided documentation showing that \$4,508.81 was the balance in the party unit's bank account at the end of 2018. Mr. Olson said that the party unit already had filed an amended 2019 year-end report that listed a beginning cash balance of \$4,508.81.

After discussion, the following motion was made:

Member Rosen's motion:	To approve the balance adjustment request.
Vote on motion:	A roll call vote was taken. All members voted in the affirmative.

**2. Request for second residence waiver – Sue Finney**

Mr. Olson told members that Ms. Finney is a candidate for the Minnesota House of Representatives. She filed her original statement of economic interest on June 10, 2020. Mr. Olson said that Ms. Finney also submitted a request under Minnesota Statutes section 10A.09, subdivision 9, to waive the requirement that she disclose the address of her second residence. Ms. Finney stated that the property in question is located in a rural area and is sometimes occupied by her children and grandchildren. She stated that she does not want them to be exposed or approached by unknown people.

After discussion, the following motion was made:

Member Swanson's motion:	To deny the request for a second residence waiver.
Vote on motion:	A roll call vote was taken. All members voted in the affirmative (Leppik absent).

**3. Request to refer matter to the attorney general's office – NARAL Pro-Choice Minnesota**

Mr. Olson told members that the NARAL Pro-Choice Minnesota Election Fund (NARAL PCMEF) (30552) is a political fund and NARAL Pro-Choice Minnesota (NARAL PCM) (30638) is the name of an independent expenditure political fund. The supporting association of each fund is NARAL Pro-Choice

Minnesota. A political fund is not required to file a periodic report with the Board if the fund had no financial activity during the filing period. Mr. Olson said that two candidate committees had filed reports disclosing contributions given by the NARAL PCMEF in 2018, which required the NARAL PCMEF to file two reports of receipts and expenditures covering the reporting periods in which the contributions were given. Because the NARAL PCMEF had not filed any reports covering 2018, the executive director opened a staff review in August 2019. A 2018 year-end report was filed for the NARAL PCMEF in September 2019, but that report reflected a discrepancy in excess of \$750 between the 2018 beginning cash balance and the ending cash balance listed on the most recent previous report. Mr. Olson stated that NARAL Pro-Choice Minnesota provided a spreadsheet and bank statements for a bank account that was shared by the two funds. Those records reflected that 2016 and 2014 year-end reports were required to be filed by one of the funds. The records allowed Board staff to compile a total of seven draft reports covering the years 2013, 2014, 2016, and 2017. Those draft reports would resolve multiple cash balance discrepancies and other reporting issues, but a balance discrepancy of \$259.37 would remain between the reported 2012 ending cash balance and 2013 beginning cash balance of NARAL PCM.

Mr. Olson said that a letter was emailed to NARAL Pro-Choice Minnesota's executive director, Maggie Meyer, on March 24, 2020, encouraging her to sign and return the draft amended reports along with a request for a balance adjustment, and if she wished, a request to waive or reduce the \$4,000 owed for late filing fees for required reports that were not timely filed. The letter also informed Ms. Meyer that NARAL Pro-Choice Minnesota owes a \$1,000 late filing fee and a \$1,000 civil penalty for its 2018 annual report of lobbyist principal. The March 24 letter was followed by emails on April 7, 2020, and May 15, 2020. Voicemails were left for Ms. Meyer on April 20, 2020, and May 15, 2020.

Mr. Olson told members that NARAL Pro-Choice Minnesota also had yet to file its 2019 annual report of lobbyist principal, which was due March 16, 2020, and the maximum late filing fee and civil penalty of \$1,000 each had accrued for that report. A letter was mailed and emailed to Ms. Meyer on May 22, 2020, stating that Board staff would request referral to the attorney general's office unless she filed accurate amended reports of receipts and expenditures for the two funds and filed a 2019 annual report of lobbyist principal for NARAL Pro-Choice Minnesota. Mr. Olson said that Board staff had not received any response from Ms. Meyer since March 2, 2020. Staff was asking the Board to refer the matter to the attorney general's office to seek an order compelling:

- The filing of the following reports for the NARAL PCMEF:
  - 2014 year-end report
  - 2016 year-end report
  - 2017 year-end report
- The filing of the following reports for NARAL PCM:
  - amended 2013 year-end no-change statement
  - 2014 year-end no-change statement
  - 2016 year-end report
  - amended 2017 year-end no-change statement

- The filing of the following report for NARAL Pro-Choice Minnesota:
  - 2019 annual report of lobbyist principal
- Payment of late filing fees totaling \$6,000 and civil penalties totaling \$2,000.

After discussion, the following motion was made:

Member Swanson's motion: To make the requested referral to the attorney general's office.

Vote on motion: A roll call vote was taken. All members voted in the affirmative (Leppik absent).

#### **4. Request to refer matter to the attorney general's office – Sandra (Sandi) Blaeser**

Mr. Olson told members that Ms. Blaeser was appointed to the Public Employment Relations Board in 2014 and reappointed in 2017. Mr. Olson said that Ms. Blaeser had failed to file annual statements of economic interest covering 2018 and 2019, which were due January 28, 2019, and January 27, 2020, respectively. Ms. Blaeser had incurred the maximum late filing fee of \$100 and the maximum civil penalty of \$1,000 for each of the two statements, making the total amount owed \$2,200. Mr. Olson said that staff was asking the Board to refer the matter to the attorney general's office to seek an order compelling filing of the two EISs and payment of the balance owed.

#### **5. Request to refer matter to the attorney general's office – Steve Laitinen**

Mr. Olson said that Mr. Laitinen was elected to the Anoka Soil and Water Conservation District Board of Supervisors in 2016. Mr. Olson told members that Mr. Laitinen had failed to file annual statements of economic interest covering 2018 and 2019, which were due January 28, 2019, and January 27, 2020, respectively. Mr. Laitinen had incurred the maximum late filing fee of \$100 and the maximum civil penalty of \$1,000 for each of the two statements, making the total amount owed \$2,200. Mr. Olson said that staff was asking the Board to refer the matter to the attorney general's office to seek an order compelling filing of the two EISs and payment of the balance owed.

After discussion, the following motion was made:

Member Flynn's motion: To make the requested referrals to the attorney general's office.

Vote on motion: A roll call vote was taken. All members voted in the affirmative (Leppik absent).

## CAMPAIGN FINANCE BOARD

**Date:** September 2, 2020

**To:** Board Members

**From:** Jeff Sigurdson, Executive Director

**Telephone:** 651-539-1189

**Re:** Executive Director's Report

**Campaign Finance Reports:** Notices of the need to file the 4th Report of Receipts and Expenditures were sent to 415 political committees, political funds, and political party state central committees and legislative caucuses on August 20, 2020. The reports are due on September 22<sup>nd</sup>, and cover financial activity that occurred by September 15, 2020.

**Campaign Finance Training:** Staff conducted a WebEx compliance training class on August 26, 2020. About 50 candidates and treasurers attended the training. Because of the continued popularity of the training I have asked Ms. Engelhardt to schedule classes as warranted through the November election.

**Public Subsidy Payments:** On August 24, 2020, the Board issued \$2,069,143 in public subsidy payments to 348 qualified candidates for the Minnesota Senate and House of Representatives. To qualify for a public subsidy payment the candidate must sign the public subsidy agreement, be opposed at either the primary or general election, win the primary election if opposed, raise a specified amount of contributions from eligible Minnesota voters, and file an affidavit of contributions stating that the candidate has raised the required amount.

The money used for the public subsidy payments comes from an appropriation of \$1,020,000 which is divided evenly among major party candidates for an office regardless of party affiliation, and from the \$5 political party check-off on the state income and property tax forms. The political party check-off money is allocated based on a formula that considers the number of taxpayers within a legislative district that select a particular party, and the preceding state general election results for the district. This results in a broad range of amounts for the political party payments depending on the relative strength of the political party in the district. For example, total public subsidy payments issued to house candidates ranged from \$2,479 to the Republican candidate in District 7B, to a high of \$10,034 issued to the DFL candidate in District 61A. For senate candidates the range was from \$5,903 paid to the Republican candidate in District 7, to a high of \$19,295 paid to the DFL candidate in District 61. The average payment to house candidates was \$4,595, the average payment to senate candidates was \$9,073. A report of public subsidy payments by district and party is attached to this report.

**Lobbyist Disbursement Summary:** Each year Board staff produces a summary on disbursements made to influence official actions in Minnesota. The summary provides 159 pages of detailed information on the lobbyists registered for each principal along with total lobbying disbursements reported during the year. The summary also provides an overview of total lobbying disbursements reported for various categories, and identifies the associations that made the largest expenditures by lobbying area in 2019. A copy of the summary is attached to this report. A couple of interesting charts from the summary are shown below.

### Lobbyist Principal Disbursements 2016 – 2019

The total amount spent on influencing all types of official actions decreased by 3.5% between 2018 and 2019. Much of the increase from 2016 to 2018 can be attributed to increased spending to influence the actions of the Public Utilities Commission.

## Expenditures by Lobbying Subject

Once a year the designated lobbyist for each principal reports the subjects on which the lobbyists represented the association. Linking that information to the disbursements reported by the principal's lobbyists provides a fairly accurate picture of the amount spent on lobbying subjects during 2019. Board staff makes some assumptions when categorizing the subjects listed on the lobbyist reports into the nineteen broad subject areas used in the graph.

FOR INFORMATION

### **CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD MAKES DISTRIBUTION OF 2020 PUBLIC SUBSIDY PAYMENTS**

The Campaign Finance and Public Disclosure Board distributed **\$2,068,143** in public subsidy payments to 348 candidates who are running for the State Senate or the House of Representatives at the 2020 state general election. A list of qualifying candidates and payments is attached to this news release.

Of the 464 candidates who filed for a legislative office, 400 (86.2%) signed the voluntary agreement to abide by spending limits and to comply with other conditions of the agreement required under Minnesota Statutes Chapter 10A.

To qualify for a public subsidy payment a candidate must:

- be opposed at either the primary or general election,
- appear on the general election ballot (win the primary election if opposed),
- sign and timely file a public subsidy agreement with the Board to abide by applicable campaign expenditure limits,
- and sign and timely file an affidavit of contributions stating that the candidate accumulated a specified amount in contributions from individuals eligible to vote in Minnesota.

Funds for the public subsidy payment are derived from an appropriation from the state general fund that is based on the check-off included on the state income and property tax forms and an additional \$1,020,000 biennial appropriation from the state general fund. By party, the total post-primary public subsidy payments were:

## EXECUTIVE SUMMARY

---

---

The Campaign Finance and Public Disclosure Act (Minnesota Statutes Chapter 10A) requires lobbyists to report disbursements for lobbying purposes to the Campaign Finance and Public Disclosure Board twice each year. The Act also requires principals to file an annual report disclosing expenditures to the nearest \$20,000. This summary is based on the reports of lobbyists and principals filed for calendar year 2019.

During 2019, 1,468 individuals were registered as lobbyists to represent 1,527 associations and individuals. Lobbyists filed 4,338 periodic reports for the twelve-month period, 92% of which were filed electronically. The lobbyist disbursement reports disclosed a total of \$11,936,140 spent on lobbying activities. This amount does not include salaries and fees paid to lobbyists. Lobbyists are not required to disclose their salaries or fees, although principals do include lobbyist salaries and fees in total lobbying expenditures. Lobbyists and principals are not required to disclose political contributions, which are disclosed by the recipients on periodic campaign finance reports.

Principals filed 1,417 annual reports for 2019, 89% of which were filed electronically. Principal expenditures were disclosed in two numbers: 1) the amount spent to influence administrative action by the Minnesota Public Utilities Commission (MN PUC) in cases of rate setting, power plant and power line siting, and granting of certificates of need; and 2) all other lobbying expenditures in Minnesota not included in number one. Expenditures by principals may be rounded to the nearest \$20,000 for reporting purposes. Principals reported a total of \$76,173,175 in expenditures, with \$7,809,960 of that total being expenditures for lobbying the MN PUC and \$68,363,215 in expenditures for all other lobbying. This amount includes lobbyist salaries, advertising and public relations campaigns, and all other lobbying disbursements made by the principals and lobbyists.

Lobbyists reported that 1,011 (71%) of the 1,431 principals represented made disbursements for lobbying purposes during 2019. The reports disclosed that 82% of lobbying disbursements were made for the purpose of influencing legislative action, 16% of disbursements were made to influence administrative action, and 2% were made to influence the official actions of metropolitan governmental units. See page 5 for a comparison of total lobbying disbursements by type of lobbying reported and total lobbying expenditures reported by principals in 2018 and 2019.

Lobbyists must disclose gifts, loans, items, and services equal in value to \$5 or more given or paid to officials by the lobbyist, the lobbyist's principal, or an employee of the lobbyist. Twenty-five lobbyists reported giving items or benefits totaling \$5,986 to 89 legislators, three constitutional officers, and 15 public officials. See page 18 for definitions and see subsequent pages for details of the gifts.

Education Minnesota reported the largest total lobbyist disbursements during the period, and the largest total disbursements for legislative action lobbying. CenterPoint Energy Resources Corp. reported the largest total disbursements for administrative action lobbying. The largest total disbursements for attempts to influence actions of metropolitan governmental units was reported by the FairVote MN. The largest total amount spent to influence administrative action by the Minnesota Public Utilities Commission was reported by Enbridge Energy Partners LP. Complete lists of the entities that reported making the largest amounts of disbursements and the largest amounts of disbursements by type of lobbying begin on page 24.

This summary also includes a list of associations and the lobbyists that represented each association during 2019 along with the total disbursements made by each association. See page 34 for this information.

## LOBBYING OVERVIEW

---

### **What is lobbying?**

Lobbying is attempting to influence legislative or administrative action or the official action of a metropolitan governmental unit by communicating with or urging others to communicate with public or defined local officials. Any activity that directly supports this communication is considered a part of lobbying.

### **Who is a lobbyist?**

For the purpose of this summary, “lobbyist” means:

1) An individual who is engaged for pay or other consideration of more than \$3,000 from all sources in a year for the purpose of attempting to influence legislative or administrative action or the official action of a metropolitan governmental unit by communicating with or urging others to communicate with public or local officials;

2) An individual who is not compensated more than \$3,000 but spends more than \$250 in any year (not including travel expenses and membership dues) for the purpose of attempting to influence legislative or administrative action or the official action of a metropolitan governmental unit by communicating with or urging others to communicate with public or local officials;

3) A non-elected local official or an employee of a political subdivision who spends more than 50 hours in any month attempting to influence legislative or administrative action or the official action of a metropolitan governmental unit, other than the political subdivision employing the official or employee, by communicating with or urging others to communicate with public or local officials, including time spent monitoring any of the forenamed actions and related research, analysis, and compilation and dissemination of information relating to legislative, administrative, or metropolitan governmental unit policies in Minnesota.

### **Who is not a lobbyist?**

1) An individual who merely communicates with a public official to obtain information or request an interpretation of a law, rule or agency action;

2) An individual who volunteers personal time to work without pay on a lobbying campaign and does not spend more than \$250 on lobbying activities; and

3) An individual who provides administrative support to a lobbyist whose salary and expenses are reported by the lobbyist and who does not actually lobby.

**About lobbyist registration**

A lobbyist must register with the Campaign Finance and Public Disclosure Board on behalf of each association or individual that the lobbyist represents. Registration information includes the name and address of the registrant; the name and address of the association (including officers and directors) or individual represented; the lobbyist’s reporting status; and a general description of subjects on which the lobbyist expects to lobby and the kind of action the lobbyist seeks to influence.

**Principal**

A principal is an individual or association that spends more than \$500 in the aggregate in any calendar year to engage, compensate, or authorize the expenditure of money by a lobbyist; or is not included in the definition above and spends at least \$50,000 in any calendar year in efforts to influence legislative action, administrative action, or the official action of metropolitan governmental units.

# MINNESOTA CAMPAIGN FINANCE BOARD

---

**Date:** September 2, 2020

**To:** Board members  
Counsel Hartshorn

**From:** Andrew Olson, Legal/Management Analyst

**Subject:** Enforcement report for consideration at the September 9, 2020 Board meeting

## **A. Discussion Items**

### **1. Request to refer matter to the Attorney General's Office – Swing Right PAC**

Swing Right PAC (41214) is an independent expenditure political committee that registered with the Board in October 2018. The committee filed a 2018 pre-general report on October 30, 2018, disclosing \$8,000 in receipts and \$962.50 in expenditures, leaving a cash balance of \$7,037.50. The committee failed to file year-end reports covering 2018 and 2019 and has not filed any reports covering 2020. The committee has incurred a \$1,000 late filing fee and a \$1,000 civil penalty for the 2018 year-end report, as well as a \$50 late filing fee for the 2018 pre-general report. Multiple letters mailed to the address listed on the committee's registration statement for Alyssa Eichman, the committee's treasurer and chair, have been returned as undeliverable. A letter was mailed to what Board staff believes to be Ms. Eichman's current address on July 1, 2020, but no response has been received. Staff is asking the Board to refer the matter to the Attorney General's Office to seek an order compelling filing of a 2018 year-end report and any additional reports that are required to be filed as well as payment of the balance owed.

### **2. Request to refer matter to the Attorney General's Office – Marcus Harcus (House candidate and lobbyist) and MN Campaign for Full Legalization (lobbyist principal)**

Mr. Harcus filed his affidavit of candidacy on June 2, 2020. His original statement of economic interest due June 16, 2020, has not been filed. Mr. Harcus has incurred the maximum late filing fee of \$100 and the maximum civil penalty of \$1,000 for the EIS. Multiple notices were sent to Mr. Harcus regarding the need to file the EIS.

Mr. Harcus failed to file his lobbyist disbursement reports that were due June 15, 2020, and January 15, 2020. He has incurred the maximum late filing fee of \$1,000 and the maximum civil penalty of \$1,000 for each of those reports. Mr. Harcus also owes late filing fees of \$1,000 for his lobbyist disbursement report due January 15, 2019, and \$200 for his lobbyist disbursement report due June 15, 2018. The Board previously voted to reduce the amount of \$1,200 to \$200, contingent upon payment of the remaining balance, but no payment has been received from Mr. Harcus.

Mr. Marcus is the executive director and sole lobbyist of lobbyist principal MN Campaign for Full Legalization, which has failed to file its 2019 annual report of lobbyist principal, which was due March 16, 2020. The principal has incurred the maximum late filing fee of \$1,000 and the maximum civil penalty of \$1,000 for that report. The principal also owes a late filing fee of \$275 for its 2018 annual report of lobbyist principal. The Board previously voted to reduce the amount of \$275 to \$200, contingent upon payment of the remaining balance, but no payment has been received.

Staff is asking the Board to refer the matter to the Attorney General's Office to seek an order compelling filing of the EIS, two lobbyist disbursement reports, and the report of lobbyist principal, as well as payment of the balance owed.

Ms. Gunderson filed her affidavit of candidacy on June 2, 2020. Her original statement of economic interest due June 16, 2020, has not been filed. Ms. Gunderson has incurred the maximum late filing fee of \$100 and the maximum civil penalty of \$1,000 for the EIS. Multiple notices were sent to Ms. Gunderson regarding the need to file the EIS. Staff is asking the Board to refer the matter to the Attorney General's Office to seek an order compelling filing of the EIS and payment of the balance owed.

**6. Request to refer matter to the Attorney General's Office – Beau Hullermann (House candidate)**

Mr. Hullermann filed his affidavit of candidacy on June 2, 2020. His original statement of economic interest due June 16, 2020, has not been filed. 10	Gary Amoroso (2736)	\$450 LFF	1st 2020 Lobbyist	Lobbyist doesn't recall receiving a reminder, Principal's staff was working remotely due to COVID-19 causing delays in receiving mail, and lobbyist was in the process of retiring when the report came due. 11	Arjun Kataria (House candidate)	\$100 LFF \$1,000 CP	Original EIS	Candidate filed affidavit of candidacy 6/2/2020, making the EIS due 6/16/2020. EIS was filed 8/10/2020.	No	Waive CP leaving \$100 LFF
12	66A House District RPM (20441)	\$700 LFF	2020 Pre-Primary	Former treasurer resigned due to health reasons and the party unit's registration information was not updated so notices were sent to former treasurer. Dear Ms. Eichman:

Swing Right PAC (41214) has failed to file a report of receipts and expenditures since you filed a 2018 pre-general report on October 30, 2018. That report listed a cash balance of \$7,037.50 as of October 22, 2018. Swing Right PAC has incurred a late filing fee of \$1,000 and a civil penalty of \$1,000 due to the failure to file a 2018 year-end report, which was due on February 1, 2019. Swing Right PAC has also incurred a late filing fee of \$50 for its 2018 pre-general report, which was filed one day late. The committee's registration with the Board remains active because we have not received a termination report. Multiple letters mailed to the address listed for you on the committee's registration statement have been returned to us as undeliverable.

If the committee dissolved and had no more than \$100 in its bank account as of the end of 2018, please file a 2018 year-end report labeled as a termination report, disclosing how the committee's funds were spent. If you still have access to the committee's data that was entered into the Board's Campaign Finance Reporter software in 2018, you may file the 2018 year-end report electronically via the software. If not, please use the attached 2018 year-end report form, which is available on our website at [cfb.mn.gov/pdf/forms/cf\\_reports/2018\\_IEPCF\\_yearend\\_report.pdf](http://cfb.mn.gov/pdf/forms/cf_reports/2018_IEPCF_yearend_report.pdf). If the committee dissolved in 2019 please file both a 2018 year-end report and a 2019 year-end report labeled as a termination report, which is available on our website at [cfb.mn.gov/pdf/forms/cf\\_reports/2019\\_IEPCF\\_yearend\\_report.pdf](http://cfb.mn.gov/pdf/forms/cf_reports/2019_IEPCF_yearend_report.pdf).

If the committee remains active and has appointed a new treasurer, please ask the new treasurer to complete the registration form to update the committee's registration statement, which is available on our website at [cfb.mn.gov/pdf/forms/PCF/iepcf\\_registration.pdf](http://cfb.mn.gov/pdf/forms/PCF/iepcf_registration.pdf). If the committee remains active, it needs to file a 2018 year-end report, a 2019 year-end report, a 2020 1<sup>st</sup> Quarter report, and a June 2020 report. If that is the case please contact me or have the new treasurer contact me for assistance in filing those reports.

If you wish to request a waiver or reduction of the amount owed for the late filing fees and civil penalty, which totals \$2,050, please provide me with a written request, which will then be considered by the Board. The request should explain why the reports were not timely filed and any other factors you wish the Board to consider.

**If a 2018 year-end report is not filed by July 15, 2020, Board staff will ask the Board for authorization to refer the matter to the Minnesota Attorney General's Office to pursue legal action compelling the filing of those reports and payment of the balance owed.** If you have any questions or concerns, please do not hesitate to contact me.

Re: Candidate statement of economic interest due June 16, 2020

Marcus Harcus

You have failed to file with the Board your candidate statement of economic interest. This filing is a statutory requirement of all candidates for state-level office. You must file this statement even if you are not required to register a committee with the Campaign Finance Board, do not actively campaign for office, or lost the primary election.

To date you have accrued the statutory maximum \$100 late filing fee and the maximum \$1,000 civil penalty due to your failure to file the candidate statement. If you do not file the statement and pay the \$1,100 by the end of the day on August 31, 2020, the Board will consider referring the matter to the Minnesota Attorney General's Office for litigation to obtain the statement and the amounts owed. The Board will consider this matter at its September 9, 2020, meeting, which is open to the public.

Please complete the enclosed form and return it, along with a check for \$1,100 payable to the State of Minnesota, to the Board at the address listed below by the end of the day on August 31, 2020. Under Minnesota Statutes, all fees are deposited in the general fund of the state. Failure to submit the statement and to pay the amount owed may also result in referral to the Minnesota Department of Revenue to begin the collection process.

The Board may reduce or waive late filing fees upon written request for good cause. A waiver request should explain in detail the reasons why the Board should waive or reduce the late filing fees. You may mail or email the request to either of the addresses provided below. The waiver request will be public information and will be reviewed by the Board at the next scheduled meeting after the request is received.

If you have any questions about filing your statement or the assessment of late filing fees, please contact me at 651-539-1183, 800-657-3889, or [jodi.pope@state.mn.us](mailto:jodi.pope@state.mn.us).

Re: Late filing fees for 2018 lobbyist disbursement reports and annual report of lobbyist principal

Dear Mr. Harcus:

You were required to file lobbyist disbursement reports by June 15, 2018, and by January 15, 2019, with the Minnesota Campaign Finance and Public Disclosure Board. Those reports were not received until June 27, 2018, and March 16, 2019, respectively, resulting in late filing fees of \$200 and \$1,000. The MN Campaign for Full Legalization was required to file its 2018 annual report of lobbyist principal by March 15, 2019. That report was not received until April 1, 2019, resulting in a late filing fee of \$275. We received your request to waive the late fees and that request was considered by the Board in May 2019 and again at its meeting on June 26, 2019. As stated in a letter that was mailed and emailed to you, the Board decided to reduce the late fees for your lobbyist disbursement reports to a total of \$200 and to reduce the late fee for the MN Campaign for Full Legalization's report of lobbyist principal to \$200. Those reductions in the balances owed were contingent upon the Board receiving payment of the remaining total balance of \$400. To date, that payment has not been received.

Please mail or deliver a check or money order for \$400, payable to the State of Minnesota, to the Board at the address listed below by January 27, 2020. If you are unable to pay the amount owed, please instead provide a written request for a payment plan, specifying how much you will pay and the date payments will be made in order to pay the balance owed. If payment or a request for a payment plan is not received by January 27, 2020, the original amounts owed totaling \$1,475 will be reinstated and we will refer the full original amount owed to the Minnesota Department of Revenue for collection. Please contact me with any questions or concerns.

Re: Late filing fees for 2018 lobbyist disbursement reports and 2018 report of lobbyist principal

Dear Mr. Harcus:

At its meeting on June 5, 2019, the Campaign Finance and Public Disclosure Board reconsidered your request to waive \$1,200 in late filing fees for your 2018 lobbyist disbursement reports and a \$275 late filing fee for the 2018 report of lobbyist principal for the MN Campaign for Full Legalization. Based on the circumstances and explanation described in your waiver request, the Board decided to reduce the late fees for your lobbyist disbursement reports to \$200 and the late fee for the 2018 report of lobbyist principal to \$200, so the total owed is \$400.

Please mail or deliver a check or money order for \$400, payable to the State of Minnesota, to the Board at the address listed below by July 8, 2019. If you are unable to pay the amount due, please instead submit a written request for a payment plan by July 8, 2019, specifying the amount you are able to pay with each payment and when those payments will be made. If payment or a request for a payment plan is not received by July 8, 2019, the original amount owed will be reinstated. If you have any questions on this matter, please feel free to contact me.

You must file this statement even if you are not required to register a committee with the Campaign Finance Board, do not actively campaign for office, or lost the primary election.

To date you have accrued the statutory maximum \$100 late filing fee and the maximum \$1,000 civil penalty due to your failure to file the candidate statement. If you do not file the statement and pay the \$1,100 by the end of the day on August 31, 2020, the Board will consider referring the matter to the Minnesota Attorney General's Office for litigation to obtain the statement and the amounts owed. The Board will consider this matter at its September 9, 2020, meeting, which is open to the public.

Please complete the enclosed form and return it, along with a check for \$1,100 payable to the State of Minnesota, to the Board at the address listed below by the end of the day on August 31, 2020. Under Minnesota Statutes, all fees are deposited in the general fund of the state. Failure to submit the statement and to pay the amount owed may also result in referral to the Minnesota Department of Revenue to begin the collection process.

The Board may reduce or waive late filing fees upon written request for good cause. A waiver request should explain in detail the reasons why the Board should waive or reduce the late filing fees. You may mail or email the request to either of the addresses provided below. The waiver request will be public information and will be reviewed by the Board at the next scheduled meeting after the request is received.

If you have any questions about filing your statement or the assessment of late filing fees, please contact me at 651-539-1183, 800-657-3889, or [jodi.pope@state.mn.us](mailto:jodi.pope@state.mn.us).

Dear Campaign Finance Board Members,

I am writing to request a waiver for penalties incurred as a result of a miscommunication regarding the July 27, 2020, filing deadline for the Southeast Metro Business PAC.

I completed a hard copy of the report and scanned and emailed it as an attachment in an email on July 24, 2020. I received an email reply to that email saying that there was no attachment. I rechecked the email and forwarded it again.

On August 15, 2020, I received a certified letter stating that my report had not been filed. I left voicemails and emails first thing Monday morning, August 17, to try to clear this up. I spoke with Megan Engelhardt who explained that the email had been received on time, with the attachment, but they were unable to open the file. I immediately resent the report in a different format and it was received by Megan.

The miscommunication arose as I was not aware the file could not be opened. I had previously submitted it twice, before the due date, and was not aware the issue was that the file could not be opened. Had I known that, I would have sent it in another format immediately as I did after my conversation with Megan.

The Southeast Metro Business PAC is a very small PAC with virtually no money. We consistently send in no change reports. We are not terribly active and have discussed folding the PAC. Those discussions are still in process, however.

I respectfully request that the penalties be waived as a result of the miscommunication as there was due diligence and a good faith effort to have the report submitted before the due date.

Thank you for your consideration.

**Subject:** Appeal of Late Filing Fine for Richfield RPM City Committee

---

Campaign Finance and Public Disclosure Board

Members, I hereby appeal the imposition of a late filing fine on the Richfield RPM City Committee for the the Jan. 1 - July 20, 2020 filing period. On the morning of July 21, 2020, as Treasurer, I prepared and signed a No Change Report. Refer to the picture of that signed report below. My Ipad data shows that this picture was taken at 8:17AM on July 21. This report was mailed to the Board later that morning, at the US Post Office location in Richfield Mn. It is likely that the US Postal Service failed to deliver this to the Board.

Later that week, I received in the mail, the reminder letter to file this report by July 27. Since I had mailed the report on 7/21/20, I took no action. The Board's letter of Aug. 11 stated that I was called as a follow up to the Board not receiving this report on time. My cell phone has a missed call record at 4:16PM on July 28, from 213/637-1300. This does not appear to be a Board phone number. No voice mail message was recorded. I received no call from the Board.

The first notice that I received from the Board, was in the evening of August 17, 2020, when I opened my mail after returning from the lake. I promptly sent Megan Engelhardt the photo of the report below. There was a hold mail until that date. You should consider the Ending Mail Hold notice from the USPS (previously sent) as part of my public appeal.

I complied with the filing requirements. Most likely the US Postal Service failed to deliver that report. There was No Change from the Richfield RPM City Committee during this filing period. Thank you for considering this appeal. There should not be a late filing fine.

Richfield RPM City Committee #20822

Subject: Economic Interest Statement

---

Hi Megan—

I am writing to ask for a waiver of any filing fee.

I do not have any economic interests to declare. I have not worked for the state of MN since 01/01/2020.

Unfortunately, as assistant commissioner for MDH this was never discussed with me, nor did someone reach out to me prior to my departure. I'm sure with COVID, MDH had plenty of other areas of concern.

I have never had anything to report to Campaign Finance and Public Disclosure Board as I specifically did not partake in anything that would be a conflict of interest during any of my time with MDH.

I am a practicing research physician and very involved in my full-time career doing that now.

Please let me know if there is anything else you need.

I am specifically asking to waive any fee as I did not know about this or I would have sent a letter letting you know I had nothing to disclose.

Warmest regards,

Courtney

August 9, 2020

Dear Ms. Engelhardt:

I received your certified letter, forwarded to me from our city offices, on August 8, 2020 stating that I owed a \$100 late filing fee.

In the letter it was stated that the Campaign Finance and Public disclosure Board sent me notice of this fee on February 18, 2020. I never received this correspondence. Perhaps it was sent to the Greenfield City offices, and not my home address, as was your most recent correspondence. I have not been an elected official of Greenfield since my term expired on December 31, 2018.

When I received the original notice that I would again have to file the Campaign Finance and Public Disclosure Statement in early 2019 I believed it was for 2019. Believing that I was sent the form erroneously because I was no longer in office or a member of the watershed commission, I did not feel it was necessary to complete the form. I explained this to Kevin Lochner, of your offices, sometime prior to March 8, 2019. He clarified that the filing was for 2018 and sent me a copy to complete on March 8, 2019. Upon learning it was for the prior year I promptly completed the form and e-filed within 5 days on March 13, 2019. I respectfully request the late fee be waived

Thank you for your understanding in this matter,

Respectfully,

Thomas E. Cook

Danie,

Thank you for the getting the report in today. The late filing fee for this report is \$1,000. Please let me know if you want to file for a waiver of the late filing fees. In order to apply for a waiver of the late filing fees, you just need to send me an email explaining why the report is late and any good reason for why the late filing fees should be waived. The waiver request is public information and would be considered at our next Board meeting, which is currently scheduled for September 9, 2020.

Also, does the candidate plan on keeping the candidate committee open (which requires more campaign finance reports) or does he want to terminate this candidate committee? Please discuss with the candidate. I would be happy to explain his options to him. Thanks!

Danie,

First, you emailed your report to a website and a website that does not exist. Second, the report you have filled out is a campaign finance report for local candidates, not a state-level candidate.

Attached please find a copy of the report you need to fill out. Please fill it out as soon as possible as the \$50 late filing fee is continuing each business day. You can scan it in and email it back to me. After we receive the report, we can discuss filing a waiver of the late filing fees.

Since your candidate did not win at the primary, the next report will be the year-end report for 2020, which is due February 1, 2021. You need to terminate the candidate committee by checking the box on the front of the report otherwise the candidate committee will remain open with required reports. Let me know if you have any questions about terminating the committee. Thank you.

**Subject:** Waiver Request for Late Filing Fee

---

Dear Board,

I am reaching out to you to request a waiver for the \$750 late filing fee from my late submission of the Pre-Primary Report. It was not due to malfeasance or ill-intent that the report was filed late. I had publicly suspended my campaign on June 17th and as a result dismissed my campaign staff and volunteers. I was then not monitoring my campaign email account and did not realize I had an upcoming deadline until July 24th.

At that point, I reached out requesting a waiver to file via paper because I only had access to Apple computers. Executive Director Jeff Sigurdson replied granting a waiver on this request for the remainder of the year. I misunderstood this allowance as meaning I wouldn't need to file until the end of year report. Associate Director Megan Englehardt then contacted me via mail and I reached out to her through email on August 14th, where she then clarified my mistake. With her advice, I was able to submit my amended filing on August 18th. Due to this misunderstanding I am requesting your understanding and leniency regarding the \$750 late filing fee. I look forward to hearing back from you and speaking with you as needed at the September Board Meeting.

All the best,

Re: Lobbyist Disbursement Report due on 06/15/2020  
Reg. No. 1733  
MN Assn of Resources for Recovery & Chemical Health (MARRCH)

Dear Ms. Engelhardt:

I write in response to the correspondence I received from your Office regarding a late filing fee associated with the June 15, 2020, Lobbyist Disbursement Report for our client MARRCH. We respectfully request the late filing fee be waived.

On June 2, 2020, and June 5, 2020, our Administrative Assistant prepared and saved the initial draft of our report for MARRCH. After compiling all reportable expenses, the report was again opened and revised on June 15, 2020 at 8:26 am, 12:11 pm, and 2:41 pm, at which time I submitted and confirmed filing the report. Our Administrative Assistant also confirmed its submission.

On June 18, 2020, your Office notified me that our MARRCH report was overdue; specifically, that it had been saved, but not submitted. Immediately after receipt of your correspondence, I again reviewed the report, resubmitted it, and confirmed its submission. Until that time, we were unaware that our June 15<sup>th</sup> submission was unsuccessful.

We respectfully submit that good cause exists to waive the late fee in its entirety due to: 1) our immediate attention to and resubmission of Report after receiving notice; 2) the fact that we had obviously reviewed the Report multiple times – and made no further changes to it – prior to the deadline; 3) our good faith belief that the submission was effective prior to the deadline; and 4) this is the first time that the undersigned has ever been untimely with respect to any filing with your Office.

Campaign Finance & Public Disclosure Board,

I am writing today on behalf of my organization, the American Heart Association. Our Lobbyist Disbursement Report was filed 4 days late and we were rightly assessed a \$100 fee. A series of unforeseen events led to our mail not being adequately monitored when our offices were shut down nationally in the pandemic response. The staff member who was responsible for the report left the org just as the shutdown started and we lost other support staff while our offices were closed due to budget cuts and staffing responses. When I received the reminder phone call/voicemail, which was very much appreciated, I was able to return to our office and filed the report the very next business day. Hopefully indicating that we take the report very seriously and always have.

I would respectfully request that the late fee be waived as the tardiness of the filing was a result of unique and unforeseen circumstances. Thank you for your consideration.

To Campaign Finance Board,

I have finally received your letter dated August 20, 2020 (post-marked August 24) regarding a late filing fee. Due to the Governor's continued restrictions on business, it was impossible for me to receive, process and get my association management vendor to mail the report in a timely manner.

I am the sole employee of MUCA. MUCA uses Ewald Consulting, a professional association management firm, to provide all of our 'back office' services, including accounting, publishing, mailing, website, etc. Due to the Governor's orders, Ewald is unable to accommodate the majority of its employees at its offices – where the filing requirement is sent. With **very few staff allowed to be in the office per the Governors restrictions**, the time lag for Ewald to collect and disseminate the mail, then re-send to me at home to process/approve, and then re-send back to direct the correct staff to file the required report, it was impossible to get it in on time. To date, the Ewald staff person responsible for filing these reports on MUCA's behalf has not been physically in the office since mid-March.

I look forward to a waiver of this fee given the extraordinary circumstances of work-life during the pandemic.

Hi Megan, how's this?

Dear Campaign Finance Board,

The Minnesota Association of School Administrators would like to request to have the late fee waived from filing a lobbyist disbursement report after the due date. Our office of 6 people has been working from home since March. Two of us take turns getting and going through the mail about every other week. The request should have come and been addressed to Gary Amoroso, but neither of us remember seeing it come in. If it would have gone to Gary, he would have passed it on to me, because I'm the one who files for him. He was also in the process of retiring on June 30, and was trying to tie up all of his loose strings before our new executive director took office on July 1. Once I did find out this report was late, I made a point of contacting Megan to ask her about it and got it in right away. I had it done before we received the late notice in the mail. I have since made sure he is a terminated lobbyist and set up our new Executive Director. We are a non-profit association, and don't spend a lot of money on lobbying and don't have a lot of extra funds to pay a late fee.

Thank you for your consideration and please let me know what is decided.

Thanks you,  
Stephanie Kastanos

To whom it may concern,

Please see the attached document, Statement of Economic interest for Candidates for elected office.

My apologies on getting this form in late, I was under the impression that this form only needed to be submitted if I am planning on raising more than \$750, which I am not.

This is also my first time running for public office and I was aware of all the rules.

Given my circumstances, I hope the \$100 late fee can be waived.

Thank you,  
Arjun Kataria

Megan

My case..

I am restating some of what was said below. "We had some transitions in House District 66A and sad as that was. Paperwork was missed."

Simply put I did not do what I should have been doing. This was on me, and Yes this was a teachable moment. Simply put I messed up.

I ref the following from the letter dated August 11, 2020 and was received on 08-13-2020.

Campaign Finance and Public Disclosure Board records show that report information was mailed on or about June 26, 2020, along with a reminder email in July and a reminder phone call to the treasurer.

I do not have this information. It happens..

I would like more information on purpose of "Campaign Finance".

With respects to the information that I sent...I would like to know how you verify this information.

I would like to know what you do with this. (My concern you are charging \$50.00 a day because this was late)

There must be reasons.

This is not understandable "gray area"

My bank statement shows the activity that took place.

The information that I sent to CFB matches to the bank statement. (with more detail based on the input)

We area small unit.

Megan, I hope your day is well.

Thanks again

Tom Jensen

Now HD 66A Treasurer

Hello Mr. Jensen,

Thank you for the report. We received it electronically too. The late filing fee is \$700. You can either send payment for the late filing fee via a check made out the State of Minnesota at the address in my signature block below or you can apply to the Board for a waiver of the late filing fee. The waiver can be an email to me explaining the circumstances as to why the report was late and why there is good cause to have the late filing fee waiver. Please note that the waiver request is public information.

Also, please update your registration with the Board using this form:

[https://cfb.mn.gov/pdf/forms/pcf/Party\\_Registration.pdf?t=1597439826](https://cfb.mn.gov/pdf/forms/pcf/Party_Registration.pdf?t=1597439826) You need to check the box that states amendment and then you only need to fill out the information that will be changing. You can see your current registration here: <https://cfb.mn.gov/reports-and-data/viewers/campaign-finance/party-unit/20441/2020/>

I am also attaching a calendar for your reference. Please let me know if you have any other questions or concerns.

Hi Megan

Received your letter "Notice of Failure to file Report of Receipts and Expenditures. 08-13-2020

I can only say oops. We had some transitions in House District 66A and as sad as that was. Paperwork was missed.

What took place is I am now the Treasurer. David Lankinen is no longer with us.

The attached is my report ("Create Bd.RPT") was done also.

Reading the letter, it appears I have a late fee to satisfy.

Please give me a call.

Can be reached at 651-483-6479 until 1:00pm

Thanks again

To whom it may concern,

Isaiah has a full time job that we believe conflicts with the hours that the Finance Boards is open. We've called a few times & haven't been able to reach anyone. We request that the late fees for the report be waived as well as some sort of guidance on how to send you the report. We don't want to be out of compliance completely. I know we were informed your meeting is today. Please let us know what we can do.

Sincerely,  
Whitmore and Neighbors for 59B
